

Lake of Bays & Area Winter Groomed ATV Trails

Just because it is cold outside does not mean you have to put away your ATV. Lake of Bays ATV Club are now offering members fully groomed winter trails... making ATVing a 4 season activity. With snow covered trees and no leaves to block your view, the sights and sounds of winter riding are sure to be breathtaking.

Rules of Thumb:

- Never ride alone - don't be left out in the cold with no help in sight.
- Show Respect - stay on the trails and respect posted signs.
Remember: ATV's are not allowed on groomed snowmobile trails.
- Exercise caution: trails may be icy. Studded tires are recommended.
